

# Collect My Love

The Knocks

Starlight, we go blind  
Softly, we fall without a sound  
I'll be on your side  
Just hold me, hold me, hold me down

It's all yours, I've been savin' for you  
Come collect all MY LOVE  
There's no substitute  
You know just what to do  
Come collect all MY LOVE  
Come collect all MY LOVE

Sweetheart of firework  
Shooting me straight for lost to found  
I need you, yes I'm sure  
Hold me, hold me, hold me down

It's all yours, I've been savin' for you  
Come collect all MY LOVE  
There's no substitute  
You know just what to do  
Come collect all MY LOVE  
Come collect all MY LOVE

Baby baby oh, baby oh  
Baby baby baby  
Baby, baby oh baby  
I said  
Baby baby oh, baby oh  
Baby baby baby  
Baby baby oh baby  
Hold me!

Softly, we fall without a sound  
I'll be on your side  
Just hold me, hold me!

It's all yours, I've been savin' for you

You know just what to do
