

Feeling Myself

The Knocks

Lately, I'm feeling myself
Prolly ain't that hard to tell
Can't you see I'm on one?
If you got a problem, tell somebody else

I think I've got the perfect mixture
In my body, in my head
Can't hold my tongue on that elixir
Don't try to quote what I just said
(Yeah, let me tell you somethin')

Welcome to my party
It's just me, myself, and I
Me, myself, and I
Me, myself and I
That's what faked attendance
Everybody's feelin' fly
Everybody's feeling me, myself, and I

Lately, I'm feeling myself
Prolly ain't that hard to tell
Can't you see I'm on one?
If you got a problem, tell somebody else
'Cause lately, I'm feeling myself
(I'm feeling myself)

Save your breath, just take the picture
A thousand words ain't worth my time
You know my name, don't call me mister
This kinda thing don't slip your mind

Listen
Welcome to my party
It's just me, myself, and I
Me, myself, and I
Me, myself and I
That's what faked attendance
Everybody's feelin' fly
Everybody's feeling me, myself, and I

Lately, I'm feeling myself
(I'm feeling myself)
Just me and myself

Lately, I'm feeling myself
Prolly ain't that hard to tell
Can't you see I'm on one?
If you got a problem, tell somebody else

(I'm feeling myself)
(I'm feeling myself)

Lately, I'm feeling myself
Prolly ain't that hard to tell
Can't you see I'm on one?
If you got a problem, tell somebody else

(I'm feeling myself)
