

# New York Narcotic

## The Knocks

Wake up on the ceilin' like I'm spinnin'  
But I'm feeling alright, alright  
Addicted to the magic, I don't wanna kick the habit  
Can't lie, I'm alright

Is it you? Is it me?  
Is the City takin' over?  
When you trade all your dreams  
For that New York Narcotic  
I can't go to sleep, I want it

I want it  
New York Narcotic  
I can't go to sleep, I want it  
I want it  
New York Narcotic  
I can't go to sleep, I want it

Here we go again  
Here we, here we go again  
Summertime high, smokin' smokin' with the friends  
Here we go again  
Here we, here we go again  
I'm on that summertime high, smokin' smokin' with the friends

Step across the water, I'm a technicolor  
Soldier tonight, tonight  
Check out of the gutter, burnin' rubber  
Up above the skyline, all night

Is it you? Is it me?  
Is the City takin' over?  
When you trade all your dreams  
For that New York Narcotic  
I can't go to sleep, I want it

I want it  
New York Narcotic  
I can't go to sleep, I want it  
I want it  
New York Narcotic  
I can't go to sleep, I want it

Here we go again  
Here we, here we go again  
Summertime high, smokin' smokin' with the friends  
Here we go again  
Here we, here we go again  
I'm on that summertime high, smokin' smokin' with the friends

Is it you? Is it me?  
Is the City takin' over?  
When you trade all your dreams  
For that New York Narcotic  
I can't go to sleep, I want it

I want it

(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it, I want it  
New York Narcotic  
I can't go to sleep, I want it

Here we go again  
Here we, here we go again, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it  
Here we go again  
Here we, here we go again, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it  
Here we go again  
Here we, here we go again, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it  
Here we go again  
Here we, here we go again, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it  
Here we go again  
Here we, here we go again, I want it  
(Yeah, yeah, yeah  
Every day yeah, yeah)  
I want it  
Here we go again  
Here we, here we go again, I want it  
New York Narcotic  
I can't go to sleep
