

Shades

The Knocks

People say that I'm a rockstar
They think I stay up all night
All night, all night
Well, just because I'm such a rockstar
Doesn't mean I only get high
Get high, get high (Come on!)

Well, I look good
He look good
Got money in the bank
Goddamn, that's a lot of money
Said, I look good
He look good
Don't give a fuck what you think
Don't give a fuck what you think

Sometimes I gotta wear my shades
'Cause there's sunshine dripping down my face
Don't let these people lie to ya
Don't let 'em see ya smile too much
They only tryna take it away
Sometimes you gotta hide from 'em
Don't let 'em see what's under the shades

Yeah, yeah, yeah, yeah, yeah
Don't let 'em see what's under the shades
Yeah, yeah, yeah, yeah, yeah
Don't let 'em see what's under the shades
Yeah, yeah, don't talk to me

Well, people say I take it too far
But I don't see nothing wrong
Damn right, damn right
'Cause I'm a motherfucking rockstar
Yeah, I can do what I want
Get high, get high (Come on!)

Well, I look good
He look good
Got money in the bank
God damn, that's a lot of money
Said, I look good
He look good
Don't give a fuck what you think
Don't give a fuck what you think

Sometimes I gotta wear my shades
'Cause there's sunshine dripping down my face
Don't let these people lie to ya
Don't let 'em see ya smile too much
They only tryna take it away
Sometimes you gotta hide from 'em
Don't let 'em see what's under the shades

Yeah, yeah, yeah, yeah, yeah
Don't let 'em see what's under the shades
Yeah, yeah, yeah, yeah, yeah

Don't let 'em see what's under the shades

You know, things always look a little different
I gotta wear my shades
When you got some tint on your lenses
'Cause there's sunshine
Can't let 'em see what's under the shades
Dripping down my face
You feel me

Sometimes I gotta wear my shades
You know what I mean?
'Cause there's sunshine dripping down my face
Don't let these people lie to ya
Don't let 'em see ya smile too much
They only tryna take it away
Sometimes you gotta hide from 'em
Don't let 'em see what's under the shades

Yeah, yeah, yeah, yeah, yeah
Don't let 'em see what's under the shades
Yeah, yeah, yeah, yeah, yeah
Don't let 'em see what's under the shades

Well, I look good
You look good
Yeah, yeah, yeah, yeah, yeah
Got money in the bank
Said, I look good
You look good
I don't give a fuck what you think
