

# There's Something About Us Under The Sheets Mashup

The Knocks

Like all the boys before  
Like all the boys boys boys boys  
Like all the boys before  
Like all the boys boys boys boys  
You left a blood stain on the floor  
You set your sights on him  
You left a hand print on the door  
Like all the boys before, like all the boys before  
This is our luck baby, running out  
Our clothes were never off  
We still have our roads to run about  
To scale the map, scale the map, to get us back on track  
I've seen you in a fight you lost  
I've seen you in a fight  
We're under the sheets and you're killing me  
In our house made of paper, your words all over me  
We're under the sheets and you're killing me

It might not be the right time  
I might not be the right one  
But there's something about us I want to say  
Cause there's something between us anyway  
I might not be the right one  
It might not be the right time  
But there's something about us I've got to do  
Some kind of secret I will share with you

We're under the sheets and you're killing me  
In our house made of paper, your words all over me  
We're under the sheets and you're killing me  
In here the world won't bring us down  
Our plan is gold dust  
Out there a lonely girl could drown  
In here we're frozen  
Where did the people go  
My hands are empty  
You're not the answer I should know  
Like all the boys before, like all the boys before  
We're under the sheets and you're killing me  
In our house made of paper, your words all over me  
We're under the sheets and you're killing me

I need you more than anything in my life  
I want you more than anything in my life  
I'll miss you more than anyone in my life  
I love you more than anyone in my life
