The Knocks

Risin when the sun sets
Goin til it's back up
Workin thru the weekend
I gotta fill my bag up

Lookin for a situation
Tryina get it in tho
Meet me in the city
Let me take you to a disco

Let me take you to a disco
To a disco

Let me take you to a disco

Get up when the night falls
Do it til it the sun rise
Workin thru the week days
Better get my pay right

Ain't no time for sleeping
If we tryina get in so
Meet me in the city
I'm a take you to a disco

Heard they were clapping
I heard there were singing
I heard they were dancing
I just got one question

Can I take you to a disco
