

Crazy

The Kolors

Hey hey
I've spent the night just
Drinking like a fool
Hey hey
I don't know what she's doing
In my room
(My room)

Hey hey
The sun is up and
I just gotta move
Hey hey
There's no tomorrow when you
Got no rules

I wake up and start to realize
That she's staring
Staring staring staring
I don't like the look that's in
Her eyes
Is she crazy crazy crazy

(I'll) turn my mind off
One more time (ooh ooh)
It is something for you just to
Realize
That I'm all the way up
Like in paradise
Turn the lights off
I don't like you
It is something for you just to

Realize
That I don't wanna know
Nothing more about

Hey hey
The night is young I wanna know
Nothing more about

Hey hye
The night is young I wanna see
It through
Hey hey
Another shot to get me in the mood
(The mood)
Hey hey
And there's a woman looking
Kinda rude
Hey hey
I'll take her home cause I've
Nothing
To lose to lose

I know that will be a grave
Mistake
Cause I'm fading

Fading fading

It's another notch upon my bed
Let's go crazy crazy crazy ooh

(I'll) turn my mind off
One more time (ooh ooh)
It is something for you just to
Realize
That I'mm all the way up
Like in paradise
Turn the light off
I don't like you
It is something for you just to

Turn the lights off
I don't like you
It is something for you just to

Realize
That I don't wanna know
Nothing more about

You gotta trust me to realize
You gotta make a move
Just to feel alice!
You gotta trust me to realize
You gotta make a move
Just to feel alice
And I, I
I gotta make a move
Just to tell alice
And I, I
I Gotta make a move
Just to feel alice

(I'll) turn my mind off
One more time (ooh ooh)
It is something for you just to
Realize
That I'mm all the way up
Like in paradise
Turn the light off
I don't like you
It is something for you just to
Realize
That I don't wanna know
Nothing more about you
