

My Queen

The Kolors

Ah

Everybody want to be my girl
Everybody's naked on my phone
I don't even know what this is for
Am I looking like a nasty boy?

All the naughty
Messages they're leaving
Are showing all
The hearts I might be breaking, yeah
La, la, la, la, la
La, la, la, la, la, la, la
La, la, la, la, la
Oh

Don't you try to be
My queen just singing
La, la, la, la, la
Oh
You will never be
My queen just singing
La, la, la, la, la
Oh

I will never know the reason why
People keep on wasting precious time
(Hey, listen)
All you plastic girls around tonight
I don't need no living in a lie

All the naughty
Messages they're leaving
Are showing all
The hearts I might be breaking, yeah
La, la, la, la, la
La, la, la, la, la, la, la
La, la, la, la, la
Oh

Don't you try to be
My queen just singing
La, la, la, la, la
Oh
You will never be
My queen just singing
La, la, la, la, la
Oh

Eh
Oh
Eh
Oh
You're just trying to make me (Eh) go (Oh)
Wilder than an animal (Eh) or

Don't you try to be

My queen just singing

La, la, la, la, la

Oh

You will never be

My queen just singing

La, la, la, la, la

Oh

She won't try to be

My queen just singing

La, la, la, la, la

Oh

She won't set me free

Not being a sweetie

La, la, la, la, la

Oh

La, la, la, la, la

La, la, la, la, la, la, la

La, la, la, la, la
