OK-OK I watch your show
OK-OK I call you love
Uooh oh oh uooh
OK I drink little more
OK I'll do it all night long
OK I'll give you all I've got
Uooh oh oh uooh

Oh oh oh OK
I'll fake my smile for my girl
Oh oh oh OK
I'll change my mind for my girl
Oh oh oh OK
I'll waste my time for my girl
Oh oh oh OK
And now I feel in the trap

You gotta keep cheating on him if you wanna save yourself
That's what he told her at the club, before she started dancing
There's only one thing on her mind that keeps her walking on the air
And there is no time for her to stop and stare, stop and stare

OK-OK I call you love
