

## Down At The Cross

The Kry

What can I boast about  
When the life that I live has been given me  
What can I be proud of  
But of Jesus who died to set me free  
Set me free

Let not the wise man boast in his wisdom  
Let not the strong man boast in his strength  
Let not the rich man boast in his riches  
For all men are equal down at the cross

Jesus still reaches out  
No matter how far or how weak we are  
His love has no bounds  
and He reaches the ones down on their knees...  
On their knees

Let not the wise man boast in his wisdom  
Let not the strong man boast in his strength  
Let not the rich man boast in his riches  
For all men are equal down at the cross

Down at the cross come and leave your pride  
Lay everything at His feet  
For all of us He was willing to die  
Even when we were weak  
When we were still without strength  
When we were set in our ways  
When we were filled with hatred for Him  
Still He was willing to die for you and I
