

# He Won't Let You Go

The Kry

He won't let you go  
the moment that you say  
come and live in me  
take me all the way  
what He said is true  
He will never leave you  
forever by your side...it's true

He won't let you go  
though the seasons change  
He's never been so close  
He's just a prayer away  
when you hear the Father's call  
when He's calling to you  
run into His arms  
don't hesitate to do it

Chorus:

He won't let you go  
when He's forever by your side  
He wants you to know  
Jesus has paid the price  
He wants you to go  
forever in paradise  
getting close to Him  
is really all you have to do  
and even when you die  
He will still be by your side

He won't let you go  
His love will never change  
let Him hold you close  
closer everyday  
He would have died for you  
had you been the only one  
don't you ever doubt...its true

He won't let you go
