She gets her redneck on a little red hot honey
Got a pick-up truck plus her daddy's got some money
Makes a sweet potato pie that'll shut your mouth
Ponytail to the side when she hang around the house
A little tomboy growing up, hunting and a fishing show
A 30-06, got a Carolina skiff
And if the creek gets hot she got a 4 wheel drive
A couple chains in the back, and some mud on the tires
Hell ya she's a hot one, man I think I got one
She can go all day fishing in the hot sun
Man I guess I'm lucky to be living in the sticks
Boy just take a look around we got a basket of chicks

She's a beauty queen but she likes to mud bog
Likes frogs, man this broad loves to hunt hogs
Likes to fish and she firing the kitchen
Cube steak, mash 'tatoes and a little fried chicken
And I can say everyday that she's perfect for me
Knows how to clean the gutter, makes the best sweet tea
Hey, a young girl with a no school soul
Man she had her first job when she was 8 years old
Ain't worried about dirt and ain't afraid to work
Loves Holy Jesus, she can rock that skirt
They don't make 'em like this, she's the last of her kind
So fine and divine, so glad she's mine
