

Worth It

The Lacs

One too many girls, too many shots
Three in the morning and the party don't stop
For the good times, fifth of creek
Only six more days till the weekend's here
Come morning, I'm gonna be hurting
But damn it was worth it

I see a little number, what's another shot or two
But I can't stay too late I got stuff I gotta do
That's what I said when I got here six hours ago
Shoot the shit we threw a fifth play of set em up joe
If you're gonna be dumb, man you gotta be tough
I gotta get up in the morning and it's gonna be rough
But the girls are looking pretty and the shine's so smooth
Now's a good a time as any to make my move
If I leave right now, I'll get a couple hours sleep
Time's flying by tonight but tomorrow it'll creep
Yeah we working outside so I'm praying for rain
Then come tomorrow night, we're gonna do it the same

One too many girls, too many shots
Three in the morning and the party don't stop
For the good times, fifth of creek
Only six more days till the weekend's here
Come morning, I'm gonna be hurting
But damn it was worth it

Counting down days till I'm free for the week
Cut loose from the boss, get lost in the creek
Party in the woods where the law won't ride
Get loud as you want to, go ahead and get live
Nothing like the feeling when you're chilling getting drunk
Put the girls in the front, let them Kenwood's bump
Head on out of town where it all goes down
Dinkin' til' we pass out, how we do it in the south
Yeah, might be trouble in the sunrise
Cheap shades don't hide my red eyes
Hungover but I'm ready for the next night
Holler when it's party time

One too many girls, too many shots
Three in the morning and the party don't stop
For the good times, fifth of creek
Only six more days till the weekend's here
Come morning, I'm gonna be hurting
But damn it was worth it

Worth it, worth it
Party don't stop, don't stop, don't stop
Damn, one too many girls
Party don't stop, don't stop
