

## Please, Please, Please

The Lashes

Look out, they're coming to get us.  
Nevermind it's a false alarm.  
Look down, the store is beneath you.  
Nevermind, she's ???

Oh I don't ever relearn,  
listen, people, tell me,  
please stop wishin'  
Please, Please, Please let me get what I want  
Please, please, please let me get what I want  
Please, please, please, let me get what I want,  
right now, today, right now, today.

Look up,  
they've got binoculars now  
and they got 'em at the corner store  
They look down  
and they're lookin' closer  
and they got 'em for a buck ninty-nine.

I said I don't ever relearn,  
listen, people, tell me,  
Please stop wishin'  
Please, please, please let me get what I want.  
Please, please, please let me get what I want.  
Please, please, please, let me get what I want, right now, today,  
y, right now, today.

Please, please, please let me get what I want,  
Please, please, please let me get what I want,  
Please, please, please, let me get what I want,  
right now, right now.

Please, please, please let me get what I want  
Please, please, please let me get what I want  
Please, please, please let me get what I want  
right now, today.
