

Break Stuff

The Last Ten Seconds of Life

It's just one of those days when you don't wanna wake up
Everything is fucked, everybody sucks
You don't really know why, but you wanna justify
Rippin' someone's head off
No human contact, and if you interact
Your life is on contract
Your best bet is to stay away, motherfucker!
It's just one of those days

It's all about the he said she said bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin' that shit

It's just one of those days, feelin' like a freight train
First one to complain leaves with a blood stain
Damn right, I'm a maniac, you better watch your back
'Cause I'm fuckin' up your program!
And if you're stuck up, you're just lucked up
Next in line to get fucked up
Your best bet is to stay away, motherfucker!
It's just one of those days

It's all about the he said she said bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin' that shit
So come and get it

I feel like shit
My suggestion is to keep your distance
'Cause right now I'm dangerous
We've all felt like shit and been treated like shit
All those motherfuckers that want to step up
I hope you know I pack a chainsaw
I'll skin your ass raw
And if my day keeps goin' this way
I just might break somethin' tonight
I pack a chainsaw
I'll skin your ass raw
And if my day keeps goin' this way
I just might break somethin' tonight
I pack a chainsaw
I'll skin your ass raw
And if my day keeps goin' this way
I just might break your fuckin' face tonight!

Give me somethin' to break
Just give me somethin' to break
How 'bout your fuckin' face?
I hope you know I pack a chainsaw (What?)
A chainsaw (What?)
A motherfuckin' chainsaw (What?)
So come and get it

It's all about the he said she said bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin' that shit
So come and get it
