

Tonight I Love You

The Latency

Verse 1:

It's a beautiful night and i'm opened up,
The look in your eyes says to much,
Nothing can touch us out here...

Verse 2:

Don't know where we are, but I know I see,
A beautiful girl walking next to me,
I need to hold you my dear.

Bridge:

Let's jus take tonight (tonight), slow.
Cause I wanna see where this, where this, goes.
(I Need You)

Chorus:

I'd give you today but it's not mine yet,
I'll ask you to stay with me till then,
I think i'm falling for you (for you) I need you.
I just want to look in your eyes and see,
All that you have looking back at me,
I think Tonight, I Love You (I love you).

Verse 3:

Tell me the chance hasn't passed us by,
Cause baby the stars have never shined so bright,
Nothing can stop us out here...
