

# Whatever

The Leaves

Look into my eyes  
Whatever you'll find i'll give  
I'm confused but today  
Whatever you need you'll take

So what's this all about  
I don't want to play this game  
I'll walk you through the day  
So come on let's find our way

Yeah and the world keeps spinning  
But I'm still here  
Yeah and it looks so pretty  
But look again

Looking back again  
Whatever I did makes sense  
I'm confused but today  
let's get up and find our way

yeah and the world keeps spinning  
But i'm still here  
Yeah and it looks so pretty  
But look again
