

With Drums We March The Streets

The Leaves

[With drums we march the streets
Can you hear us?
Can you hear us?] x4

[We're lost in time and space
Can you feel us?
Can you feel us?] x2

With drums we march the streets
Can you hear us?
Can you hear us?

We're lost in time and space
Can you feel us?
Can you feel us?

And with every single beat,
Hammering the street, all as one
And I am part of you,
As you are part of me, can't you see?
With overwhelming weight
The singing crowd Parades, all as one
And I am part of you,
As you are part of me, can't you see?
