

1001 Commandments

The Legendary Pink Dots

I'll never shout you down I'll never shut you in I'll
never lock you out I'll never smash your things if
your're ever out ever out with him I'll never share my
doubts I'll keep them all within I'll never shop around
I'll keep the shop within I'll keep it squeaky clean I'll
never listen in when you are phoning in I'll always let
you win in your forbidden games (*) I shall take the
blame I shall sit outside in the pouring rain If you
shout my name If you shout my name If you shout my name
If you shout my name and if you shout my name I'll crawl
into you

When I'm watching out watch the cat creep in I'll just go
walk about when you're upstairs with him & when he goes
away & you cry out your pain but here I am again here I
am again I'm on my hands & knees & you can cling to me &
pin some wings on me & I will ride the breeze I'm only
here to please it's my philosophy & I submit to thee yes
I submit to she I submit to thee yes I submit to she I
submit to thee yes I submit to she I'll crawl into you I
submit to thee yes I submit to she (repeat til end)
