

## A Bargain at Twice the Price

The Legendary Pink Dots

Cost effected  
Disinfected  
Stainless, painless  
Safe within these walls...

I watch the world go by  
The axes fall  
The hours fly...

My shrinking planet  
Packed outside  
Creeps closer...  
Faces pressed upon the window  
Of this box I watch...

The window of this box I watch from...

Arms for lepers  
Coins are dropped in hats  
Don't mock the low-lifes, baby  
Armed with rare disease

One sneeze, you'll catch your death...  
Your box, my baby...

Come inside...come inside...

Inside...inside this box  
Over here it's clean...  
Now watch with me!  
Stay with me!  
Sweet dreams we'll have...

Ah, you'll see...  
You'll see!
