

Curious Guy

The Legendary Pink Dots

Smash me into little pieces, put me in a cup, add sugar, stir me,
warm
me
up, and drink me. I want to get inside you. I want to light your
heart. I want to lick your secret valleys, slide through alleys,
(dance
from stone to stone?). I want to hear you moan in ecstasy. You
u're shy,
you shouldn't be. I just want to get to know you better, to know
you
better, know you better. I'm a curious guy.(3x) I spy. There
's blood
in my eyes. I'm a furious guy.(2x) I die. (I'm great in cans
; I'm
great on toast.....)
