

Hotel Z

The Legendary Pink Dots

Overdose...Comatosed...I feel you close, but you're so very far
away.
Surrogate...there's no escape. I found a gate, but it's locked
so I'm
here to stay...
Yet every wish I have is granted. Every hand is mine to hold a
nd all
the trees that I have planted touch the sky, turn gold.
I could buy the planet if I wanted. I'd make it mine...Yes, I'
d unfold
a tapestry that I'd recline in, somewhere we could both grow ol
d together.
Our dream.
Dying eyes...You sympathize. I clutch my prize but it so slowl
y fades
away...
