

## Peppermint Roses

The Lemon Twigs

I know I'm the only one, I know the score  
I see that I'm the only one here  
I lost the one who's near to me, my mind is dead  
I can't believe the fear inside my head

Goodbye, peppermint roses  
Hello, pretty red hat  
Holy father approaches, and why's it have to be like that?  
Bring my peppermint roses back

Who am I supposed to be?  
Myself or me?  
And how can I pretend to be that?  
I lost the one who's near to me  
My mind is dead  
I can't believe the fear inside my head

Goodbye, peppermint roses  
Hello, pretty white hat  
Holy father approaches, oh, why's it gotta be like that?  
Bring those peppermint roses back

Peppermint roses are written in the dirt  
They're cutting me open  
They're making me hurt  
Wear your pretty white stockings  
Buy me a resident cat  
Bring those peppermint roses  
'Cause I don't wanna ask again  
Paint my candy cane roses black
