

Deep Bottom Cove

The Lemonheads

You're rolling
Thanks
This is called Deep Bottom Cove
Me and my cousin wrote it when we were thirteen and twelve

I woke up one morning
Looking at the glassy water
You could hear the surf miles away
I woke up my buddy
He said let's go out in the boat (woah out in the boat)
And so out we went on deep bottom cove
We heard a big thud and
We were thrown out of the boat
And so we drowned in the glassy water

Deep bottom cove, deep bottom cove, deep bottom cove
Deep bottom cove, deep bottom cove, deep bottom cove
Deep bottom cove, deep bottom cove
