

# Don't Wanna

The Lemonheads

All my friends have gone away  
Gone away for a long stay  
I love you or so I say  
Today, today

Yesterday I felt no shame  
Now my state is plainly tame  
Day to day, today today  
I said hey, hooray

I don't wanna, I don't wanna  
I don't wanna feel ev'rything  
I don't wanna, I don't wanna  
I don't wanna feel everything

Yesterday I felt no shame  
Now my state is plainly tame  
Day to day, today today  
I said hey, hooray

All my friends have gone away  
Gone away for a long stay  
I love you or so I say  
Today, today... hey

I don't wanna, I don't wanna  
I don't wanna feel everything  
I don't wanna, I don't wanna  
I don't wanna feel everything

I don't wanna, I don't wanna  
I don't wanna feel everything  
I don't wanna, I don't wanna  
I don't wanna.
