

# I Am

## The Letter Black

There's nothing you can do  
You can't kill me  
There's nothing you can do  
You can't kill me  
There's nothing you can do  
You can't kill me  
There's nothing you can do  
You can't kill me

No, no  
There's nothing you can do

You didn't think about it  
You did what you were told  
You didn't have a line  
Cause it was sold for gold  
You thought that I was blind  
Like I didn't see it coming  
I knew before you spoke  
You brought your hell into this world

There's nothing you can do  
You can't hide from me  
There's nothing you can say  
I hear everything  
You try to justify yourself  
In everything you do  
You try to testify about me  
Did you forget who I am?

No, no  
There's nothing you can do

You throw your stones at me and beat me to the ground  
You made a crown of shame and pushed and shoved me all around  
You thought that I was lying when I said that I'd be back  
Now that the grave is empty I am the walking dead

There's nothing you can do  
You can't hide from me  
There's nothing you can say  
I hear everything  
You try to justify yourself  
In everything you do  
You try to testify about me  
Did you forget who I am?

And do you know my name?  
I am who I am  
Do you know my name?  
I am who I am

There's nothing you can do  
You can't hide from me  
There's nothing you can say  
I hear everything  
You try to justify yourself

In everything you do  
You try to testify about me  
Did you forget who I am?
