

Kill the Devil

The Letter Black

(Kill the devil, kill the devil)
(Inside of me, inside of me)
(Kill the devil, kill the devil)
(Inside of me, inside of me)
(Kill the devil, kill the devil)
(Inside of me, inside of me)
Kill the devil
Inside of me!

I feel something buried inside
It's like it's coming alive
Inside of me when I'm in rage
I cry and say this is consuming me

Kill the devil inside of me
It's all I wanna say
When he's in control of me
Kill the devil inside of me
You're abusing me
I know, I can, I will
Kill the devil inside of me

I can see you in my dreams
Yes nothing do to me
But I can't let you take the rest
Of what you stole [?]

Kill the devil inside of me
It's all I wanna say
When he's in control of me
Kill the devil inside of me
You're abusing me
I know, I can, I will

(Kill the devil, kill the devil)
(Inside of me, inside of me)
(Kill the devil, kill the devil)
(Inside of me, inside of me)
(Kill the devil, kill the devil) get out of my head
(Inside of me, inside of me) get out of my head
(Kill the devil, kill the devil) get out of my head
(Inside of me, inside of me) get out of my head!

Kill the devil inside of me

Kill the devil inside of me
It's all I wanna say
When he's in control of me
Kill the devil inside of me
You're abusing me
I know, I can, I will

Kill the devil inside of me
It's all I wanna say
When he's in control of me
Kill the devil inside of me
You're abusing me

I know, I can, I will
Kill the devil inside of me

Kill the devil
Kill the devil
Kill the devil inside of me
