

Knot Around The World

The Levellers

Take this cause and this lie
Go tie a knot around the world
Take up arms, it's your right
To tie a knot around the world

If that's all you want
That's all you'll be
Statistically unkown to me

Cos its not what you fight
Or how you win
You're embracing the night
When You Begin

A soldier, a hero. That's not what you became tonight
A trophy, a figure. All on the News At Ten tonight

If that's all you want
That's all you'll be
Statistically unkown to me
