

## Life's Too Short

The Lightning Seeds

I've got the feeling  
You've got the feeling  
I've got the feeling  
You've got the feeling

Oh love don't go away  
I wish you'd stay  
Can I change your mind?  
I'm the king of dreaming in a wishful way  
When I'm wide awake  
But there comes a time

And I see that what I'm needing  
Is a feeling to believe in

Maybe it's true  
And I'm just a fool  
Who's making us blue  
When life's too short

Oh love is kind of tempting fate  
It's an unknown state  
In a place I can't find  
And now I know I've kind of lost my way  
But I keep the faith  
With an open mind

And now I know I'm kind of lost  
But I keep the faith

I've got the feeling, you've got the feeling  
Oh I've got the feeling  
You've got that feeling too  
Life's too short, Life's too short
