Life's Too Short

The Lightning Seeds

IDve got the feeling
YouDve got the feeling
IDve got the feeling
YouDve got the feeling

Oh love don It go away
I wish you Id stay
Can I change your mind?
IIm the king of dreaming in a wishful way
When IIm wide awake
But there comes a time

And I see that what IDm needing Is a feeling to believe in

Maybe it□s true And I□m just a fool Who□s making us blue When life□s too shore

Oh love is kind of tempting fate
It□s an unknown state
In a place I can□t find
And now I know I□ve kind of lost my way
But I keep the faith
With an open mind

And now I know $I \square m$ kind of lost But I keep the faith

IDve got the feeling, youDve got the feeling Oh IDve got the feeling YouDve got that feeling too LifeDs too short, LifeDs too short
