## The Lightning Seeds

In the sunshine  
Every little thing feels fine  
Sunshine

I was dreaming in a dream tonight  
On a cloud I was riding high  
Fixing a hole in the sky  
The stars disappeared with a kiss  
And left us the morning mist  
We're helpless to resist

Sometimes  
The sun shines  
In my heart  
And every little thing feels fine

I woke up and now I'm feeling strange  
Like a pawn that got lost in a game  
I'd like to dream it again  
Things may go bump in the night  
The world is dark but the moon is bright  
Here comes

The sunshine  
Sometimes  
In my heart  
Every little thing feels fine

Every little thing feels fine  
Here comes

The sunshine  
Sometimes  
In my heart  
Every little thing feels fine

In the sunshine (sunshine)  
Sometimes (sunshine)  
Every little thing (sometimes) feels fine (sunshine)  
In the sunshine (sunshine)  
Every little thing feels fine
