

Hush

The Limousines

Hush, hush little wolf
Don't bother howling at the moon
Because the moon can't hear you
Hush, hush

Hush, hush, I'm the prey
Hanging on every word you say
I left your moon right through me
Hush, hush (The moon right through me)

O-o-o-o-oh
Oh o-o-o-o-oh
(The moon can't hear you)

Hush, hush, little wolf
Don't bother howling at the moon
Because the moon can't hear you
Hush, hush (The moon can't hear you)

Sucker for a secret
Hit the button reset
Put me on a plane back home
Home, home, home, home
I guess I couldn't take it
I think I'm getting seasick

O-o-o-o-oh
Just another secret, hit the button reset
Oh o-o-o-o-oh
Put me on a plane back home

Hush, hush, little wolf
Don't bother howling at the moon
Because the moon can't hear you
Hush, hush

Hush, hush, little wolf
Don't bother haunting on your food
You know that I still fear you
Hush, I still fear you

Hush, hush
Hush, hush

Hush little wolf
O-o-o-o-oh
Hush little wolf
O-o-o-o-oh
Because the moon can't hear you
O-o-o-o-oh
Hush little wolf
O-o-o-o-oh
Because the moon can't hear you
