Her style's funky cool and fun
And to me she is number one
She's not afraid to wear all pink
She don't care what people think

I am Claudia Kishi
You are Claudia Kishi
She is Claudia Kishi
We are Claudia Kishi

Hollowed out books to hide her treats
They stay in time, she goes off beat
She wears red high-tops without socks
Her sense of style, it really rocks

I am Claudia Kishi
You are Claudia Kishi
She is Claudia Kishi
We are Claudia Kishi

Junk food, art, style, and mystery
Talkin' bout Claudia Kishi
Junk food, art, style, and mystery
Talkin' bout Claudia Kishi
