

Just Too Bad

The Living End

Just one shot is all that I ask for
It's not too much but I want it now
one last shot before I let you go
It's not too much but I want it now

Can we carry on
I know that I was wrong
Is it too late, gone too far, is it all too much
Well that's just too bad

There's one thing that I need to know
How much further can we go
If it's all over then I'll go away
This is the last time you lead me astray

What if I don't see you again
Does it mean that this is the end
