

# Rising Up From The Ashes

## The Living End

Just when you thought  
That you had it all worked out  
You will be the last one  
To figure it out

Then you will see  
That in order to be free  
We just don't wanna fake it  
Anymore

It doesn't seem to add up  
And nothing seems to matter  
You've outgrown all the anger  
You know that it's not the answer

Rising up from the ashes  
You know we never meant to burn  
Rising up from the ashes

We don't wanna answer  
To a mixed up generation  
There'll only be separating  
And if we burn  
Then what have we learned
