

# Spooky's Jump Scare Mansion

## The Living Tombstone

So have you heard of the house on the hill  
I heard it's haunted, and crawling with all types of evil  
But I am not afraid of any legends or lores  
And I want answers to what might be behind all these doors  
Knocking and waiting for some sort of reply  
It seems there's nobody in here, and I want to know why  
I can feel a shiver crawling way up my spine  
But I know there's something that's waiting at the end of the line

(Another door, another question)  
I'm going 'round in circles, wond'ring when I'll reach the end  
(I'm losing the sense of where I am)  
The Hallways got longer and all the walls have turned red

I've come to, 900, hands covered in sores  
Now there are only, 100 of these spine-chilling doors  
But I just can't imagine what could be at the end  
And I am hoping, it's all worth it to my little friend  
Spooky, what is it that you're hiding from me?  
I feel there's something, that's missing don't know it could be  
I just finished opening nine hundred and three  
Will I survive it, until the end there's no guarantee

(So many Doors, So many questions)  
My eyes are getting heavy and I just want it to end  
(I'm losing, my grip on reality)  
I've seen no one else here and now I fear I am dead

There's just a few more doors, I won't take many more  
Just one at a time  
You've got your axe in hand, everything's gonna be fine in the end  
Or so she pretends  
Oh Spooky I've got a bone, to pick with you when I'm done  
With your little game  
I open the Last door  
Don't know what's in store

The final, encounter, was so unforeseen  
Everything, I thought, of spooky wasn't quite what it seemed  
The evidence I came across gave me just the thing  
To understand more, of spooky and her sad upbringing  
Lost and, so lonely and so misunderstood  
Turns out the thing she, loved most to do had done her in good  
The shock of what had happened lasted year after year  
And so the family, did everything to make her appear

(The final door, the ultimatum)  
Surrounded by a thousand and I can't help but give in  
(Our mission, to change our history)  
The people will think twice when visited by Spooky

(It's Spooky)  
(It's Spooky)  
(It's Spooky)  
(It's Spooky)  
(It's Spooky)  
(It's Spooky)

(It 's Spooky)  
(It 's Spooky)  
(It 's Spooky)  
(It 's Spooky)
