

Illegal Immigrant

The Lone Bellow

My baby awake in the night
Desert moonlight
Blankets the floor
Waiting with no end in sight
Keeping her eyes
Fixed on the door

And I promised I'd find you
Wherever you are, wherever you are
And I promised I'd find you
Wherever you are, wherever you are
Here I am
Here I am
You'll never be alone again

Traveled so far
Wished on a lone star
Caught in between
The storm raging before us
Walls cannot hold us
From sea to shining sea

Oh and nothing can keep me away

And I promised I'd find you
Wherever you are, wherever you are
And I promised I'd find you
Wherever you are, wherever you are
Here I am
And here I am
You'll never be alone again

I promised I'd find you
Wherever you are, wherever you are
And I promised I'd find you
Wherever you are, wherever you are
Here I am
And here I am
You'll never be alone again
