Ras Trent

The Lonely Island

Jah, Rastafarianism Yes I, Ras Trent Who dem? You no want test me champion sound

Oh fire pon Babylon and fire pon a batty boy Rude boy living in the shanty dorms My roommate Nick is an ignorant ball head

Now chant down Babylon midterm essays Then puff from de chalice I fi make from a Sprite can

Last week I read a book about Selassie I Then told my bomboclat parents I was switching religions

Excuse I, oh hot stepper You do so many dutty crimes And plus you're fully skylarking all the time Unnu look ya now

Have you ever noticed how ball heads suck?
Excuse I for my skanking
Give thanks and praise
Me toil part-time at Jah Cold Stone Creamery

In a dub style Roller skates, a DVD of Cool Runnings Murder, She Wrote

Are you there Jah? It's me, Ras Trent Are you there Jah? It's me, Ras Trent

Are you there Jah? It's me, Ras Trent Please guide me pon your bike path of righteousness

Oh stannaho, stannaho, stannaho, stannahoy Jah Fussing and fighting and Zion and Roots Red Stripe, Shabba, Ragamuffin and culture Me night nurse never want to plant de corn
