

## Pull Down Below

### The Longest Johns

I went to church and I went to chapel  
(Pull down below)

I went to church and I went to chapel  
(Pull down below)

Oh, hielan' laddie  
Pull down below  
Hielan' laddie, bonnie laddie  
Pull down below

And on the road I found a saddle  
(Pull down below)  
I found a saddle and an empty poke  
(Pull down below)

Oh, hielan' laddie  
Pull down below  
Hielan' laddie, bonnie laddie  
Pull down below

I found a saddle and an empty poke  
(Pull down below)  
But where the hell's the bleeding mule  
(Pull down below)

Oh, hielan' laddie  
Pull down below  
Hielan' laddie, bonnie laddie  
Pull down below

The mule is gone and I'll go too  
(Pull down below)  
And sail away to Backaloo  
(Pull down below)

Oh, hielan' laddie  
Pull down below  
Hielan' laddie, bonnie laddie  
Pull down below

Oh hoist 'er her up and away we'll go  
(Pull down below)  
Hoist 'er up from down below  
(Pull down below)

Oh, hielan' laddie  
Pull down below  
Hielan' laddie, bonnie laddie  
Pull down below

Oh give her sheet and let 'er go  
(Pull down below)  
We're outward bound to Backalow  
(Pull down below)

Oh, hielan' laddie  
Pull down below

Hielan' laddie, bonnie laddie  
Pull down below

Oh, hielan' laddie  
Pull down below  
Hielan' laddie, bonnie laddie  
Pull down below
