

Take Me Back into Your Heart

The Louvin Brothers

Take me back into your heart dear
Let me share my love with you
Take me back into your dreams dear
And I'll make your dreams come true

Every memory of yesterday
M-akes a t-ear d-rop st-art
All I need is one more chance dear
Take me back into your heart

Take me back into your heart dear
Let me share my love with you
Take me back into your dreams dear
And I'll make your dreams come true

Every memory of yesterday
M-akes a t-ear d-rop st-art
All I need is one more chance dear
Take me back into your heart
