

Everybody's Fightin' The Same Damn Fight

The Lovemakers

Everybody's fightin the same damn fight
and if you think you're the only one
Everyone gets knocked down in their own way
Everyone's lookin for love
Hard to come up with any good reasons to keep movin on
Everyone's fightin the same damn fight
Now everybody sing along

Everybody's fightin the same damn fight
And that's the way that its gonna be
I don't care if you're rich or youre poor or who's in your family tree
It don't matter how good things are going cause it ain't gonna last too long
Everybody's fightin the same damn fight
Trying to figure out right from wrong

Everybody's fightin the same damn fight
Why is it so hard to see
What's the point of fightin and killin
When everyone's you and me
You can hate all the people that you want
But when all is said and done
Everybody's fightin the same damn fight
Except for you, you're the only one

California, Texas, Melbourne, Paris
Everyone is stressed out broke and restless
You broke up, they broke up nobody gives a fuck
Suck it up move alone big deal, shut up

Happiness and laughter is what we're after
But sadness and pain will soon come after
Sadness pain sun rain insane sane yin yang
