

## Jug Of Wine

The Lovin' Spoonful

Memories that are all mine  
Make me drink this jug of wine  
Though I know and though I try  
Can't stop lovin' you  
Jug and I are such good friends  
Be together when my life ends  
Though I know and though I try  
Can't stop lovin' you  
But when my wine is gone  
Then I'll go living on  
Sad it's gonna be  
Until that wine jug's filled like me  
Stories like that of mine  
Of men who taste that jug of wine  
Though they know and though they try  
Can't stop lovin' you  
And when their wine is gone  
And they just can't go on  
Then it's gonna be  
Until my wine jug's filled like me  
And when I come to rest  
I'm gonna say I had the best  
Though I know and though I try  
Can't stop lovin' you
