

# U Told Me

The Lox

[Sheek: ad libbing]

[Sheek]

Now you can quote me on this

I bust my gun

Also quote me on this

I handle my biz

I knew it was my house when Run was sayin it was his

I aint lyin

Aint no cords or no steam in this iron

But it is a permanent press

Have these 38 shells spray starch your chest

Leave you stiff

Coroners make ashes of you

In rap I'm like God nigga forever above you

If I don't do it all I just dial my phone

And you get sprayed through your clothes like you put on cologne

If it's not violence or drugs I have nothing to spit

I be lyin if I talk some spiritual shit

Like Kirk Franklin and them

Y'all just aint me

I can't tell you about God but I can tell you about a key

And what I'll do to God's children if they jerk me

Hurt me , never , that'll be a sin

I'ma put the Bible to your head and shoot through Matthew verse 10

What

C'mon niggas

What

[CHORUS x2:]

[Eve and Jadakiss]

You told me you would bust your guns for me

(Yeah bust your gun dog)

You said you'd always sling your pounds

(Sling the hydro green)

Now you're away and you're all that I need

(You're all that I need baby)

But L-O-X will hold it down

(You know the LOX gonna hold it)

[Jadakiss]

I'm back in the game

I still ride the back of the train

And sit right next to jake with a package of caine

Niggas say he realer than me you call him a liar

I got the outtie T T the same color as fire

You just gettin a name

Puttin shit in the game

Stop fakin

I have your doorag lookin Jamaican

Holey as the water in the front of the church

Then find you with no back plus one in your earth

I can't wait for the day you get murt

Cuz I'ma throw a free party at the Tunnel and give out work

I love myself , my family , and love my son

Love my niggas and love white Air Force Ones

And besides that I'm open off the dro and the guns

And the head you could get from a hoe in the slums  
Niggas always act silly till you show em the milly  
Then they got the nerve to ask you why you wanna kill me  
Uhh

[CHORUS x2]

[Styles]

I know it aint right  
For me to swear to God  
But I swear to God that I'll murder you dog  
And I know it aint right  
For me to sell dope  
Rob stores but I still gotta run from the law  
Twenty niggas in the clique  
How all of us pour  
In a three room apartment and we all on the floor  
I reflect to the days I thought of bustin the whip  
Now I come through the scene and niggas cuffin they bitch  
Feel good to see Kiss spend a buck on his wrists  
Or Sheek frontin on a jet ski with a Puerto Rican chick  
I dont rock no jewels  
But I pops my tools  
And I work my coupe to do a buck 68  
P hit you in the head like a dutch to the face  
Or a cup full of liquor  
Come and fuck with you nigga  
Cuz I make drug money  
Gotta take blood from me  
If you wanna prove a point pull a joint shoot dummies

[CHORUS x3]
