

## Believe In Yourself (The Arthur Theme Song)

The Magic Gang

Every day when you're walking down the street  
Everybody that you meet  
Has an original point of view

And I say hey!  
What a wonderful kind of day  
When you can learn to work and play  
And get along with each other

You got to listen to your heart  
Listen to the beat, listen to the rhythm  
The rhythm of the street  
Open up your eyes, open up your ears  
Get together and make things better  
By working together

It's a simple message  
And it comes from the heart  
Believe in yourself (Believe in yourself)  
For that's the place to start (Place to start)

And I say hey! (Hey!)  
What a wonderful kind of day  
When we can learn to work and play  
And get along with each other

It's a simple message  
And it comes from the heart  
Believe in yourself (Believe in yourself)  
For that's the place to start (Place to start)

And I say hey! (Hey!)  
What a wonderful kind of day  
When we can learn to work and play  
And get along with each other  
What a wonderful kind of day  
What a wonderful kind of day  
When we can learn to work and play  
What a wonderful kind of day  
What a wonderful kind of day
