

Differences

The Magician

You
You like a spider going back and forth
You know it's true
You
You throwing things and I've been slamming doors
And I know we've got our differences
And I know we've got our differences
And I know we've got our different

Ooh...
Is it too much to get over
Ooh...
'Cause I wish we could get closer
And I know we've got our differences
And I know we've got our differences

I feel like nothing could stop us now
I feel like nothing could stop us now
I feel like nothing could stop us now
If we moved on but I don't know how

So can you
Lift me up, lift me up, lift me up
You know you've got a way with me
So can you
Call me up, call me up, call me up
And tell me that you'll stay with me

And I know we've got our differences
Yeah, I know we've got our differences
