

World Love

The Magnetic Fields

When the rhythm calls the government falls Here come the cops
From Tokyo to Soweto viva la musica pop We are black & white
And we dance all night down at the hop and the letters were tal
l

On the Berlin Wall viva la musica pop so if you're feeling low

Stuck in some bardo I, even I know the solution

Love, music, wine and revolution love, love, love music, wine a
nd revolution

This too shall pass so raise your glass to change and chance

And freedom is the only law shall we dance...
