

Draggin' the Days

The Mahones

Brendan Behan had alot to say
He always said things his own way
If he wasn't so pissed he'd be alive today
That was his way of draggin' around
I said draggin' the days

I didn't get up till alf passed three
That's the kind of life for me
It's my lazy kind of way to be
That was my way of draggin' around
I said draggin' the days

The two things I'd like to say
Woman and whiskey can't stay away
And death is the final reward thea say
For living, so drag the days, draggin' the days
