

# Euphrates

## Main Ingredient

Yesterday, I was born here  
And tomorrow, I'll be gone  
They say there's a man down  
Down, down in Persia  
Down there

I guess I'll walk  
Walk along the Euphrates  
Talking bout the river  
The deep deep river  
The wide wide river  
The cold cold river  
The spiritual river  
The river of lies  
The river of lies  
So, let the traces linger on  
Many years have come and gone  
Oh, how lonely man has been  
Without a trace of a faceless friend

Everyday brings us closer  
And every night, my soul sees  
I see a troubled mankind  
Suffering blindly

So, I guess I'll walk  
Walk along the Euphrates  
Talking about the river  
So let the traces linger in  
Many years have come and gone  
Oh, how lonely man has been  
Without a trace of the faceless friend

Really wanna say that  
Yesterday, yesterday, yesterday, yester-yester-yes-yes-yes-  
yesterday, I was born here  
So, I guess I'll walk  
Walk along the Euphrates  
Talking bout the river  
The deep  
The world wide  
The cold  
The spiritual  
I said the world is cold, yes yes yes  
Hey, the deep deep river, yeah yeah yeah yeah  
Talking about the deep, deep deep deep deep deep deep deep river  
The wide river  
The river of life
