

Where Are You

Main Ingredient

Where are you?

(I wonder) where have you gone without me?

I thought you cared about me

And where are you?

(There is no reason to say goodbye)

Tell me, where are you?

(You said that our love would never die)

And where's my heart?

(I wonder) where is the dream we've started?

I can't believe, can't believe we parted, no, no

Tell me, where are you?

When you said goodbye, my love

Was it all a gain?

And when I gave you my love

Was it all in vain?

All life through, yeah, yeah

(Must I go on?) must I go on?

Where is my happy ending?

Tell me, where are you?
