

Who Can I Turn To (When Nobody Needs Me)

Main Ingredient

Nobody loves me, what can I do?
Without you baby, my whole life is through

Who can I turn to
When nobody needs me?
My heart wants to know
And so I must go where destiny leads me

With no star to guide me
And no one, no one beside me
I'll go on my way (Go on my way)
And after the day (After the day)
The darkness will hide me (Hide me)

And maybe tomorrow (Maybe tomorrow)
I'm gonna find just what I'm after (Find what I'm after)
I'll throw off my sorrow
Beg, steal or borrow
My share of laughter

With you, with you
With you, with you, with you, with you I'm gonna learn to
With you on a new day
But who can I turn to
If you turn away?

(Nobody needs my love, lonely and blue)
I wanna know, I wanna know (Please, I need someone who I can turn to)

Maybe, maybe, maybe, maybe tomorrow (Maybe tomorrow)
I'm gonna find what I'm after (Find what I'm after)
I'll throw off my sorrow
Beg, steal or borrow
My share of laughter

With you, with you
With you, with you I'm gonna learn to
With you on a new day
But who can I turn to
If you turn away?

(Nobody needs my love, lonely and blue)
I wanna know, baby, I've got to know, my baby (Please, I need someone
who I can turn to)
Who can I turn to, baby? (Nobody needs my love, lonely and blue)
I know I'm in love with you (Please, I need someone who I can turn to
)
